Title: The title of the manuscript was written incorrectly.
The correct title would be:

A system dynamics approach in LCA to account for
temporal effects—a consequential energy LCI of car
bodies-in-white

(“body-in-whites” replaced by “bodies-in-white”)

Abstract: The current (incorrect) sentence is: “The LCI
model compares the life-cycle energy consumption of car
body-in-whites (BIWs) in Australia made from steel and
aluminium.”

The phrase should be “bodies-in-white”.
